

4th Grade Supply List

2020/2021

Welcome to Fourth Grade! We will be busy over the summer getting ready for an incredible new school year. Here is a glimpse of what we will be learning about in your fantastic fourth grade year. We will be studying the Lewis and Clark expedition, Westward Expansion and the Oregon Trail, the life cycle of salmon, Changing Earth, Energy Works as well as reading great books and learning new math topics. There will also be a couple of field trips in the upcoming year! In addition to bringing the school supplies listed below, you can prepare for fourth grade by mastering your multiplication facts! Please practice these over the summer. Also, keep reading the books you love and try some new ones out too!
